## **MESSA Dental Plans**

## **Plan Guidelines**

MESSA dental plans are underwritten and administered by Delta Dental of Michigan, a non-profit dental care corporation known for its high quality dental programs. Delta Dental contracts with dentists throughout the U.S. to provide high quality care and 90% of Michigan dentists are in the Delta Dental provider network. MESSA members can easily locate Delta Dental contracting providers by visiting **www.messa.org** and using the provider directory search provided by Delta Dental. The following chart describes the four classes of dental benefits and provides guidelines to assist in designing a group's dental benefit program:
